Gaisce – The President’s Award is a self-development programme for young people which enhances confidence and wellbeing through participation in personal, physical and community challenges. Gaisce is non-competitive - participants are encouraged to choose their own activities and goals with the support of a trained, adult President’s Award Leader (or PAL).

Le Cheile Secondary School is a Gaisce Award Partner, which is pleased to offer participants the opportunity to undertake the Gaisce Award. In order to take part in the Gaisce programme parental/guardian consent must be given to allow each participant to take part in the programme.
